FEZANA CENTER – VISION AND NEEDS

A. On the First floor of the building: Expanded FEZANA Administrative Office.

The FEZANA Center should be the first and widely publicized, point of contact for Zarathushtis (from around the world) and non-Zarathushtis (students, academicians, interested persons), who wish to make any enquiries about FEZANA or the Zarathushti community in North America, or about Zoroastrianism. The Center can then direct the query to the appropriate party or website (e.g. to FIRES, or to NAMC, or to a specific Zoroastrian Assn). The FEZANA Office should also be administrator for and be responsible for updating the FEZANA website at www.fezana.org.

Specific needs for the FEZANA Center are:

- **Administrative Office** with space for administrative functions, good computer and print facilities, and a small reception area. Current Office needs to be expanded in size and function.
- **Exhibit area to showcase Zarathushti history, culture, traditions**, with photographs, old artifacts
- **Storage facilities for traveling exhibits**, posters, etc – for the new FEZANA Z-TEM Committee (Zarathushti Treasures for Exhibits and Museums).
- **Exhibit area to showcase and record the history and achievements of FEZANA, the Associations, and the various Committees** (e.g. UN-NGO work, etc), with early correspondence, letters, original copy of the Constitution, photographs, awards, trophies, etc. Enclosed book cases with well organized records of every FEZANA AGM, every NA Congress, and every World Congress.
- Maybe also have **exhibit area and enclosed book cases for other North American Zarathushti organizations** like WZCC (which was spawned from the FEZANA Business Committee), NAMC, SSZ, ZWIN ... and others?
- **Back office storage room for items 4 and 5**, including Administrative records, minutes, Committee records, etc. Gradually, eventually, all these archives could be moved online to www.fezana.org.
- **Exhibit area to display FEZANA Journal and other FEZANA publications**. A well-organized cabinet for all FEZANA Journals, as well as other books and publications of FEZANA.
- **Back office storage room for back issues of FEZANA Journal, and other FEZANA publications**. Full set of back issues to be distributed to various

Zarathushti and non-Zarathushti libraries. Eventually, move to online-only storage at www.fezana.org.

Also, have organized storage of master copies of **“ready-for-print shop” CDs of all FEZANA Journals and other FEZANA publications.**

Also, have repository of FEZANA **photo library**. Eventually, move to online-only storage at www.fezana.org.

- **Zoroastrian Shop** where NA Zarathushtis can order sudreh, kushti, sukhar, lobban, diva, prayer books, etc. This could be subcontracted/leased.
- **Conference Room, video**-conferencing facilities, IT room, etc. may be provided in the adjoining Association darbe mehr.

B. **The Second floor of the building** may be used for guest quarters, Priest or Caretaker’s residence or future initiatives.
