FEZANA to Revisit the 2004 World Demographic Survey

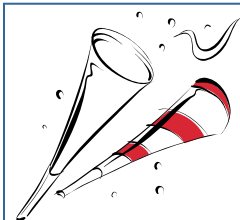

In commemoration of its 25th Anniversary, FEZANA plans to revisit the demographic survey that we had conducted in 2004 [see "The Zarathushti World - a Demographic Picture", *FEZANA Journal*, Winter 2004]. The 2012 findings will be presented at the North American Congress in New York, August 2-5, 2012.

Assistance for gathering the data will be sought directly from representatives (Individual or Small Group or Association) of each country as well as of each state/province in USA, Canada and Australia. Survey questionnaires will shortly be sent out to the representatives by Roshan Rivetna, who will be coordinating this project with the assistance of FEZANA Administrator Zenobia Damania. After the data is collected, we hope to have it analyzed by statisticians/demographers, to aid our community leadership in forecasting trends and formulating appropriate action plans. □
