Visit the Zoroastrian Global Glossary website: <https://fezana.org/glossary/>

Activity 1: WORD of the DAY

At the beginning of each religion class session, a student shares a term from the glossary and what it means.

Teachers prompts:

1. Why did you choose this term?
2. How is this term related to you or what we are studying?
3. What other practices/terms is it related to?
4. What else could we look up in relation to this term?
5. Are there any that are missing? What would we like to see?

Let's submit our list to: [**glossary@fezana.org**](mailto:glossary@fezana.org)
