

## Celebration-Iranian-Sadeh-Activity 2-PreK-Grade 8

Hands on arts and craft ideas relating to fire and Sadeh:

1. Materials and instruction:
  - a. Finger paint color-yellow and red
  - b. Rectangular cut brown construction paper to give the image of logs.
  - c. Glue
  - d. White construction paper

2. Material and instructions:

- a. Red, orange, yellow, brown, and white construction paper, glue, black marker, scissors.
- b. Have children draw an outline of their hand on the yellow, orange, and red construction paper and cut with scissors.
- c. Cut the brown construction paper in form of logs and use marker to make it look like a log as shown in the photo below.
- d. Glue them as shown on a white construction paper.
- e. Write messages such as “Happy Sadeh” by the fire.

3. Material and instruction:

- a. Yellow, red, orange tissue paper cut as shown in the photo, dry twigs, brown, orange and gray paint, glue, red or black marker, and white construction paper.
- b. Paint the logs as shown on the white construction paper.
- c. Glue the twigs on top as shown.
- d. Glue the tissue paper to resemble fire.
- e. Use the marker to write messages such as “Happy Sadeh” on the white paper beside the fire.

4. Material and instruction:
- Yellow, orange, and white construction paper, glue, popsicle sticks, and scissors.
  - Cut the orange paper as shown.
  - Put the yellow paper underneath the cut orange paper and cut out the same shape but about one inch larger. Glue them together as shown and on the white construction paper.
  - Glue the popsicle sticks as shown.
  - Write a Sadeh message such as “Happy Sadeh”

5. Material and instruction.

- a. Red, yellow and orange tissue paper, brown construction paper, glue, and battery-operated LED light.

LED lights on Amazon (the link below is just one option);
