

Color Cut Sort!

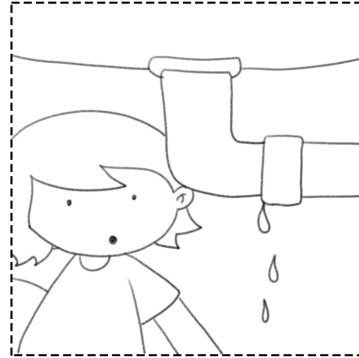

Keep the faucet on when not using water

Take long baths

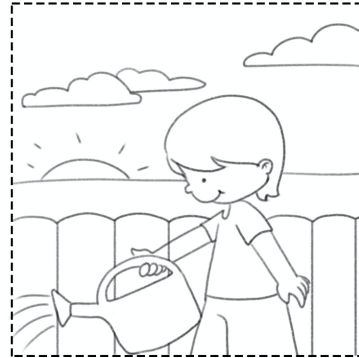

Turn off the shower when you lather

Check on leaks

Play with the garden hose

Water plants with a watering can

Be Kind to the Earth
Save some water today!

Color in the water droplet. Cut around the dotted line.
Use a two-way tape behind each 'sticker' and use it where it can remind
kids to be mindful of their water usage.

The Water Cycle
